The following is an examiner's statement of reasons for allowance: the Examiner agrees with applicant's remarks in the March 15, 2004 amendment after final concerning the 35 USC 112, first paragraph rejection (claimed subject matter fully supported by written portion of the disclosure) and second paragraph rejection (not to be construed as limited to preclude other structures beyond the "end tubes") and the amendments to claim 34 to make it consistent with the disclosure. The Examiner appreciates the care taken by counsel to accurately amend claim 34.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
